

## Electronic consent to personal data processing in lieu of consent given on paper form

### Benefits:

- Facilitates the work of the HR Department
- Faster consent process
- No need to fill in and send paper consents by post

## How does it work?

### 1. An employee orders a package for an accompanying person

**Note:** Provide the current e-mail address of the accompanying person, as this is the address to which any messages will be sent.

### 2. The accompanying person should open the message received from Medicovert Sport and give their consent to the personal data processing by clicking the **link** contained in it and approving it with the **Register** button.

### Welcome!

Thank you for your interest in the Medicovert Sport Sports Package for an Accompanying Person!

In order to complete the registration process, click the **link** and accept the terms and conditions, and then select the **Zapisz się**

Regards  
Medicovert Sport Team

**Note:** The time limit for giving consent by the accompanying person is the same as the time limit for registration for another period (the date is given in the contract and on the dedicated website). Failure to give consent within the specific time limit will result in the lack of an active package and the complete deletion of the accompanying person's data.
